

TABI

Latin, Dancehall, House, Latin House, Lounge / Luleå|Skellefteå|Stockholm|Göteborg

TABI is a Luleå-based DJ with roots in Chile, bringing Latin American rhythms together with electronic dance music. Her sound blends Latin, dancehall, house and Latin house, driven by joy, energy and a strong sense of rhythm. Early in her DJ career, she is already beginning to make a name for herself.

Drawing on both Latin American and electronic music, she moves between relaxed lounge moods and energetic dance floors. She plays lounges, corporate events and nightclubs, with Latin influences woven throughout her musical identity.

Beyond DJ bookings, TABI enjoys organising her own parties and events. This lets her shape the whole evening and bring her musical ideas to life, both behind the decks and as an organiser. She is based in Luleå and is open to bookings anywhere.
